Rolling plenary – political debates

Moderated by Eddie Adams & Ania Rok

In a series of 40 minute sessions, you can follow mayors and experts debating on:

- » Renewing the city - making cities today great places to live, work and play - in a sustainable way
- » Tourists everywhere - caught between the benefits tourism brings and the problems it creates
- » Our digital future - combining the power of data and the power of people whilst protecting personal rights
- » A changing society - managing a changing political environment and empowering citizens

Forum Hall

10:00 – 14:00

Vertical speednetworking – city presentations

In parallel to the plenary panels, you can go and interact in our city speednetworking sessions, set inside the inspiring exhibition space. Hear about projects, processes and people from different cities.
